# WELCOME

---

Welcome to our Sweet 16 recital! I am so excited to celebrate this milestone season with you and your dancer. It is truly an honor to watch our dancers grow each year, and I am in awe of the hard work they have put in this season.

Our recital is a wonderful opportunity to celebrate the hard work and dedication that our dancers have put in this year. It's also a chance to honor our brave dancers who will be performing on stage for the first time. We're so proud of all of our dancers, and we can't wait for them to showcase their talents and accomplishments.

I want to take a moment to thank our incredible staff for their commitment to excellence and for fostering the growth of our dancers. Their passion and dedication are truly inspiring, and we are so lucky to have them on our team.

I also want to extend a heartfelt thank you to all the parents, grandparents, and family members who have supported their dancers throughout the season. Your encouragement and love mean the world to us and to the dancers.

At Velocity Dance Center, we believe in "Growing Great Kids through Dance," and tonight, you will see firsthand the magic that happens when we combine hard work, dedication, and a love for dance.

So, sit back, relax, and cheer on our dancers as they take the stage and show off all their hard work. Thank you for being a part of our Velocity family, and here's to another sweet 16 seasons!

Miss Meghan

**CASSANDRIA MILLS** is an instructor for VDC's ballet classes and dance company. She has been at VDC for ten years and holds a BFA in Ballet Performance from Friends University. Ms. Ria was an original member of the Midwest Regional Ballet in Joplin, Missouri, where she performed principal and soloist roles and served as Ballet Mistress. **SARAH ROCKFORD** is in her fourth year at VDC, and she is a graduate of Oklahoma City University with a BFA in Dance Performance. One of Ms. Sarah's passions in dance is tap, and she is a two-time World Tap Dance Champion. She has studied with notable names like Savion Glover, Mike Minery, Gil Stroming, Tommy Tune, Henry LeTang, and many more! Something she loves about VDC is its family culture, and she appreciates getting to share her joy for dance with VDC students.

**ASHLEY VAN BRUNT** is our VDC office manager. For most, she is the face you see when you walk in the door. Ashley has been with VDC for sixteen years. She met Meghan while dancing for Dance Innovations under owner Susan Webb. Ashley also works as the office manager for Speech Pathway, a speech pathology clinic in OKC. Ashley enjoys being a member of the VDC team because the whole staff is invested in their students' growth and wants to provide an excellent experience for their families. Ashley is married to her high school sweetheart, Justin and they have three fur babies Beau, Arya, and King.

**YUKINO WEST** has been an instructor for VDC's ballet classes and dance company for sixteen years, and she's been teaching for twenty-seven years! **BRILEY WILSON** is starting her fourth year as a teacher with VDC. Her first year as a teacher was a step out of her comfort zone as a choreographer because it's something that she was not used to. Now she loves choreographing and encouraging the kids to free dance so their little choreographers come to life. She is about to enter her third year at the University of Central Oklahoma and is majoring in Speech-Language Pathology! Ms. Briley graduated from Deer Creek High School in 2020. She has danced for the past seventeen years and was a member of the VDC's competitive team for eight years. She says that sometimes she misses dancing for herself but loves seeing things from the flip side as a teacher. Ms. Briley loves watching the children succeed, overcome obstacles, grow into young performers, and create lifelong friendships. Outside of the studio, Miss Briley is a full-time student who is constantly watching children, playing with her three dogs, and enjoying watching her sister thrive at the studio.

**COURTNEY WILSON** has been teaching with VDC for fifteen years, working with classes of all ages as well as being the director for our company team. She earned her degree in Dance Performance from the University of Central Oklahoma and also studied Dance Education. She holds her K-12 teaching certificate in the state of Oklahoma and spent eight years as a public educator. This year, she added MTJGD Certified Coach certification to her tool belt to help teachers and rising leaders in the dance community! Ms. Courtney previously performed professionally and enjoyed a stint as a magician's assistant! One of the things she loves most about VDC is that the teachers and staff make an effort to invest in each student as a whole person, not just as dancers. Whether at VDC or not, Ms. Courtney is almost never without her four legged shadow Birdie!

**KELLI WILSON** has been at VDC for four years as staff, but a member of the VDC family for fifteen years, watching her two daughters dance. And now loves watching her daughter, Briley teach at VDC with her. She has a Bachelor's degree in Early Childhood Education from OCU and has been a teacher for seventeen years! She is now the assistant director at Spring Creek Mothers Day Out where she taught at for fifteen years. Ms. Kelli has been dancing since she was four years old and still loves it to this day!
