2023 - 2024 SEASON

# WELCOME TO THE VELOCITY DANCE CENTER COMMUNITY!

We are excited to have you joining us! Our mission is to grow great kids through dance. There has never been a more important time to invest in arts education for your child. Our dance programs take the whole child into consideration and we are excited to have you as a part of our Velocity Dance Center Community this season. With a variety of classes and programming each student can find their own adventure with us. In addition to classes, we also offer a variety of family and community events throughout the year.

Velocity Dance Center is a licensed affiliate and the **Oklahoma Charter Member of More Than Just Great Dancing®**. This means we have a high standard of dance instruction and management practices. Miss Meghan and Miss Courtney are MTJGD Certified Coaches and support other studio owners across the US and Canada. MTJGD members are united under the belief that dance has the power to change lives.

Velocity Dance Center puts the physical and emotional well-being of the community at the forefront of everything we do. That is why Velocity Dance Center is a **Safer Studio™**. Velocity Dance Center has implemented a hierarchy of measures to ensure the safety of our dancers, instructors and community.

Velocity Dance Center believes in growing great kids through dance. That is why it is important to us that our team is trained on how to keep kids happy, healthy, and safe through dance. This means our team has been background checked and CPR/First Aid certified. Our team is also trained in injury prevention, emergency preparedness, abuse awareness and prevention, dancer wellness and development, social media safety, nutrition and disordered eating, bullying, and conflict resolution through **Youth Protection Association For Dance®**.

We believe that dance should be fun, safe, and creative. That is why we are a licensed **Leap 'N Learn** studio. Developed by master teacher [Beverly Spell](#) and child psychologist Dr. Annie Spell, Leap 'N Learn is an early childhood dance program that teaches ballet to children. This program capitalizes on a child's naturally occurring cognitive and neural development and encourages pretend play in a positive, nurturing environment. Through Leap 'N Learn, your child will develop motor, cognitive, and social skills as well as love – or appreciation – for ballet.

We teach kids to Be More! That is why we offer more to our community! We want to keep dancers moving and grooving. That is why we are a Tech Enabled Studio™. What does that mean for you?

- **Virtual Studios:** Dancers can participate in their classes in the studio or from the comfort of their own homes when they can't be in the studio. Each of our classrooms has the ability to run live virtual classes. Each room is set up with a large TV, camera, microphone, and sound board for a great class in the studio or virtually. Please contact the office at least 1 hour in advance so they can connect you to the virtual studio.
- **Live Streaming:** We believe in transparency and connection. That is why parents and family can view their dancer's classes through the **WatchMeGrow** app. WatchMeGrow's mission is to increase transparency and keep families connected, with the safest and highest quality streaming video camera system available. We love that their values align with ours!
- **Free Wifi:** We have adjusted our IT solutions to be able to accommodate our Virtual Studios and to keep parents connected with free WiFi access. To access our free Wifi, use password **Velocity5678**.

- **Facebook Community:** We have a private Facebook community where parents can stay connected with other VDC families. Please connect to our avatar 'Velocity Dancer' and we will make sure you are a part of our community group.
- **Service by Text Message:** Love to text? We have you covered! We can do business over text, through email, over the phone, or face-to-face.

We have included everything you need to know in our studio info kit. We know starting something new can be stressful; that is why we are here to help! Don't hesitate to reach out to our team. We want you and your dancer to have a great experience at VDC. We look forward to serving you this season!

## DRESS CODE

Having a dress code is part of traditional formal dance training. A dress code creates uniformity, helps dancers mentally prepare for class, and allows the teacher to give the students corrections.

Students are expected to **be in dress code for every class**. Hair and shoes are part of the dress code. Dancers are **not permitted to wear jewelry of any kind in dance class** (except for post earrings) for the safety of themselves, the dancers around them, and their teachers. Skirts, whether attached or unattached, are not allowed. Skirts can be a distracting toy for young dancers and hide the body alignment in older dancers.

[View the full dress code](#)

**Dancers who are not in dress code will receive a reminder note to take home.** Dancers are not in trouble if they receive a note! The reminder note is the easiest way for teachers to communicate with parents quickly and easily on dress code matters.

We understand that occasionally a dancer may be out of dress code due to unforeseen circumstances, and we encourage them to attend class anyway.

VDC sells tights and a small selection of affordable leotards. All dancewear and shoes can be purchased at one of the local dancewear stores or online:

## BEFORE YOUR FIRST CLASS

Make sure the **paperwork** sent to you from SignNow is complete.

Purchase the correct **dancewear** for your class. The dress code information is included below.

[View the full dress code](#)

**Label** all shoes, bags, water bottles, and jackets with your dancer's name.

Sign up for a **WatchMeGrow** account so you can view your child's dance class. The Responsible Party must be the one to sign up for WatchMeGrow. The Responsible Party can add 3 sub users under their account so family members can share in the experience.

1. Download the WatchMeGrow app
2. Find our center with phone # 405-721-8807
3. Sign up for an account before your first trial class
4. Our staff will approve you
5. Enjoy watching your dancer in class

## BEFORE YOU ARRIVE TO CLASS

- Get ready for dance and use the restroom at home. If you need to change at the studio, that is no problem. Leave 10 - 15 minutes to allow for time to get ready.
- Check your dance bag and make sure your shoes are ready for class!
- Bring only a small bag and a water bottle with a lid.
- Plan to leave the house with plenty of time to arrive on time. Being on time helps the dancers have a great time because they will feel ready and at ease and will not miss share time with their teacher.
- Remember, some children have a hard time transitioning from one activity to the next. That's normal! They will have a great time once they get into class!

## WHEN YOU ARRIVE TO VDC

- Come into the lobby so we can greet you! The lobby door is the furthest door on the right. If your dancer has class in the Teal or Purple studio they will always enter through the lobby doors. The Pink and Navy studio have external doors. They can find their classroom door and line up outside or the teacher can pick them up from the lobby.
- Use the restroom if needed. This helps your dancer to not miss exciting parts of class.
- We recommend dancers leave their devices at home. If your dancer has a cell phone they will need to power down cell phones or put them on airplane mode. Dancers should also leave smart watches at home. Dancers who wear a smart watch to class must put it on airplane mode. If a dancer is distracted by their watch, they will be asked to remove for class. Parents who need to reach their dancer during class time should contact the front desk.
- Put your dance shoes on before you enter class.
- At your class time the teacher will invite the dancers in.

- Say a quick goodbye at the door and tell your dancer to have a great class. Our classrooms are for dancers only. Parents are invited to enjoy watching the class through WatchMeGrow, not in the classroom.
- Some young dancers will have some separation anxiety or will feel nervous trying something new. Some will even cry. That is ok! We don't mind. You can check out our separation anxiety info sheet below to help manage the transitions.
- Dancers will hang up bags, coats, and outside shoes on the racks provided in the classroom.
- Dancers join the teacher in share time to get started!

## DURING CLASS

- Each class is designed with the dancers' needs and development at each age.
- All dancers begin their classes in **share time** (3 - 5 minutes). During share time dancers will connect with the teacher and other students in the classroom by sharing about the question of the day. This space is also where we will review the dancer's manners and classroom reminders. This time is an important part of social emotional learning and builds trust between the dancers and the teachers.
- Dancers will move to a **warm up** in the **center** of the room. This format and length varies depending on the age and length of class (5 - 20 minutes). During this time dancers focus on warming up the muscles, warming up the brain, stretching, stretching, balance, control, and more.
- In most classes dancers will continue in the **center** space with technique fundamentals (5 - 30 minutes). This could include ballet barre, refining or learning new technical steps, working on drills, or other activities that help to grow their knowledge.

- In most classes dancers will move to **across the floor progressions** (10 - 30 minutes). Progressions across the floor could be focused on one movement or technical skill, they could combine a pattern of skills strung together, different movement patterns, spatial awareness and partner work, obstacle course style moving stations. In most cases, dancers go across the floor in groups of 2 - 4 dancers to keep the class moving and fun.
- In some classes we will move back to the **center space** to finish out the class (5 - 15 minutes). These activities can involve structured creative movement exercises, combo dances, improv, or cool down stretching.
- We finish the class by moving back into the sharetime space for stickers for following the dancers manners. Dancers with another class will move over to change their shoes and return to the share time circle - dancers do not come out in between classes unless they are changing classrooms. Exiting dancers will line up at the door and receive a stamp for participating in class and will be **dismissed** out the classroom door. Parents with dancers in Navy and Pink will want to greet their existing dancers at the exterior door. Dancers in Purple and Teal will be dismissed into the lobby.

## AFTER CLASS

- Gather your street shoes, jacket, dance bags, and water bottles.
- Parents should greet their dancers at their classroom door.
- Dancers can not cross the street or meet parents in other places. Parents should plan to pick up at VDC.
- If you have questions about the class please reach out to the office so they can connect you with your child's teacher. Teacher's are not always available to chat between classes but are always happy to follow up with you during their scheduled office hours.

## SUCCESS IN CLASS

If you have questions about how your dancer is progressing, the class curriculum, or class format please reach out to our office. We know that sometimes parents have questions about our classes since WatchMeGrow does not

stream sound due to COPPA requirements. We are always happy to answer your questions! We want all our dancers to have success and joy in class.

Does your dancer have a physical, developmental, emotional, neurodivergent or mental health need that needs classroom considerations? No problem! Make sure to let us know so that we can be aware of how we can better serve and support your child in the classroom and at the studio. Great communication from the parents about how we can better support their child is the key to everyone's success and happiness.

## SAFER STUDIO GUIDELINES FOR DANCERS AND FAMILIES

### DANCER WELLNESS

- Dancers should remain home if they have a fever, cough, shortness of breath, sore throat, loss of taste or smell, or have tested positive for COVID-19 in the past 5 days.
- Dancers should remain home if they are ill or feeling under the weather.
- Dancers can not return to class until they are fever, vomit or diarrhea free for 24 hours, been on medicine for strep and other contagious illness for at least 24 hours or cleared by the doctor to return to class. Dancers can not return to class for 10 days after testing positive for COVID.
- Dancers who have an injury must be cleared by a doctor to return to class.
- Our studio is disinfected and sanitized monthly by Pros Make Ready Sanitizing Services.

### RESTROOM USE

- Please have your dancer use the restroom before class.
- We clean our bathrooms daily.

## CAN FAMILY AND FRIENDS ENTER INTO THE STUDIO?

- Our lobby is open to parents and guests.
- All of our classes can be watched on live stream through the “WatchMeGrow” app. It is important to us that you get to see your child “Dance and Grow With Us!”
- Need assistance? No Problem! Our team is here to help you! You can reach us by phone or text and we can serve you in the lobby.

## SEPARATION ANXIETY

### HELPING YOUR CHILD THROUGH SEPARATION ANXIETY

It is normal for children to show distress, anger, and sadness when separated from their primary caregiver within the early childhood years (0 - 5 years). In fact, the emergence of separation anxiety often starts around a child's first birthday. Although this is a normal difficulty that many children experience, it is nonetheless unsettling for all parties involved - the child, the parent, and other caregivers / adults. In fact, many parents experience extremely difficult emotions similar to their child's distress when separating. However, it is important to manage this distress effectively to allow your child to make gains in the areas of independence and trust.

Tips to try to help your child deal with separation anxiety at dance class:

Talk with the teacher and develop a plan that will increase your confidence and ease your child's difficulty with saying goodbye. Reward your child for brave and independent behavior.

Be aware of the timing of goodbyes. Children are more likely to display unsettling reactions such as tantrums, yelling, crying, and screaming when they are tired, hungry, or restless. Schedule your dance class around their regular meal, snack, and nap times.

When saying goodbye to your little one, remember to be calm and consistent. Remember if you show distress, he or she will likely increase in their discomfort. One way to improve your consistency is to create a goodbye ritual, consisting of a pleasant yet firm goodbye. Let them know where you will be while they are in class and where you will be when they are done with class. Once you say goodbye it is time to leave. If you linger or come back to check, you will create more distress on your child as they will be more uncertain about your separation.

**A.** Parents who have a child with separation anxiety should wait in their car nearby.

**B.** Children will stay in class for five minutes. If they are still upset, they will be brought back out to the parents after five minutes. After five minutes, the teacher will come back out to check if the dancer is ready to join the class.

**C.** Parents whose child is struggling with separation anxiety should remain near the studio during class and be ready for pick up when the class is dismissed.

When it comes time to say goodbye, connect with the teacher or assistant. It may be best for the teacher or assistant to make physical contact, such as holding your child in their arms or holding hands with your child. Reassure your child that the teacher will take good care of them while you are gone.

Be sure to return when you say you are going to return and do not be late.

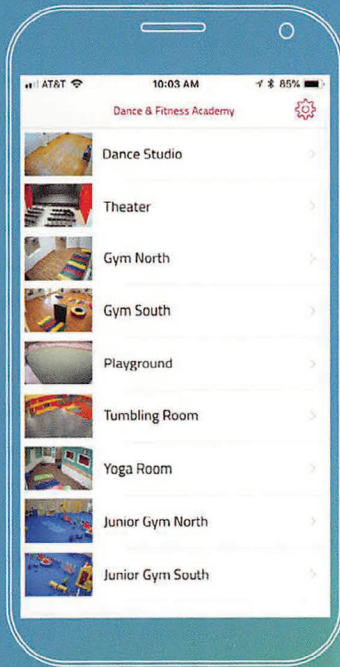

Work with your child's teacher on a Bravery Home note for positive reward of brave behavior.

# TUITION AND

# fees

Tuition will be pro-rated to your start date when you enroll after September 1. Tuition and Fees can be paid in Monthly Installments. Members have the choice to pay on the 1st of each month or the 1st and 15th of the month from the starting date through June. ♡

CLASS LENGTH	1 <sup>ST</sup> CLASS	ADDITIONAL CLASSES
30 minutes	\$500	\$450
45 minutes	\$750	\$675
60 minutes	\$1,000	\$900

## PERFORMANCE opportunities

We look forward to sharing our love of dance on stage with you! To make it easy for our community, all of our show fees are bundled into one price that you can pay over the season in installments.

PERFORMANCE FEES AND BUNDLES	YEARLY PRICE
Cookie Social	\$80
Recital Fee	\$325
Additional Recital Costumes	\$85

# ALL INCLUSIVE TRANSPARENT

pricing

We believe in being transparent with our pricing so our community members know what they can expect from Velocity Dance Center. This is why we have chosen to bundle all fees at the beginning of the season. What that means for you is that you will have no added, additional, or surprise fees throughout the year.

Our prices include everything you need to have a great season, including class tuition, Winter Cookie Social Performance, and the end-of-the-season Recital. Although our pricing may appear more expensive than other studios when looking at the monthly installments, we offer competitive pricing along with more special events, and bonuses to our community. Many of our competitors charge a la carte for their costumes, tickets, videos, performance fees and events and do not have those published at the beginning of the season. We have found that our bundle pricing keeps our clients happier and more satisfied since we are not constantly adding on additional fees.

We offer 5 installment plans to choose from, including 4 quarterly installments, 12 installments, 11 installments, and 22 installments. All installment plans that begin in July factor in a 5% discount on tuition for the season. We also pro-rate the remaining classes in the season if you enroll after September 1.

We understand that trying a new activity can be daunting, which is why we offer a 30-day risk-free money-back guarantee for all new clients and current clients trying a new class or style. We want you to feel confident and comfortable with your decision to dance with us.

If you have any questions or concerns about how our unique pricing structure works please reach out and our team is happy to help answer your questions so you can feel confident when you become a member of our community!

# RECITAL

Saturday, June 8 at the Bishop McGuinness High School.

Our recital is the highlight and celebration of the hard work your dancers have put in over the season. All of our dancers get to show off their best moves on the big stage in a show that is fun for the whole family!

# COOKIE *social*

## CLASS DESCRIPTIONS

### DANCE WITH ME — TODDLERS

*Ages 18 months — 3 years*

Dance with Me is the perfect class for toddlers who love to move with their favorite grown up! Your child will develop fine and gross motor skills in a fun environment. This class includes music, dance, fingerplay, and fun props. Dance With Me classes are designed for toddlers and grown ups to dance along together.

### DANCE N LEARN — TODDLERS

*Ages 2.5 — 3.5*

Dance N Learn is for 2.5 - 3.5 year olds who are ready to explore dance class on their own. Dance N Learn helps toddlers discover how to navigate a group class, follow simple instructions and interact with other kids their age. This class develops fine and gross motor skills through fingerplay, rhythm games, creative movement, and introductory ballet steps. Dancers will love the fun props and monthly them

### LEAP N LEARN — PRESCHOOL - 3<sup>RD</sup> GRADE

*Ages 3 — 9*

Leap 'N Learn is an effective, safe, progressive, and developmentally appropriate dance program for creative movement to beginning ballet. Designed by master teacher Beverly Spell and expert child psychologist Dr. Annie Spell, the curriculum combines the healthiest practices for teaching children ballet technique, while simultaneously encouraging pretend play amongst the youngest students to maintain a positive and nurturing environment. Through an appreciation and utilization of natural development, students in a Leap 'N Learn program will acquire motor, cognitive, and social skills beneficial for life.

### BALLET — 4<sup>TH</sup> - 12<sup>TH</sup> GRADE

*Ages 9 — 18*

Ballet is a classical style of dance. Dancers will work through barre, center work, and floor progressions to build their ballet foundation and expand their interest, skills, and technique.

### JAZZ — KINDERGARTEN - 12<sup>TH</sup> GRADE

*Ages 5 — 18*

Jazz dance combines techniques of classical ballet and modern dance with current forms of popular dance and music. Our jazz classes are fun and entergetic! Classes include warm up, isolations, stretches, and across the floor progressions. Classes include several styles of jazz including traditions, broadway, and jazz funk with age appropriate popular music.

### TAP — KINDERGARTEN - 12<sup>TH</sup> GRADE

*Ages 5 — 18*

Tap is a percussive form of dance that focuses on rhythms and patterns. Classes focus on patterns, rhythms, syncapation, clarity of sounds, and work on gaining speed and style. Tap classes help the dancer develop their coordination and sense of rhythm.

### HIP HOP — PRESCHOOL - 12<sup>TH</sup> GRADE

*Ages 3 — 18*

Hip hop dance combines current sounds and movements in pop, rap, and R&B music. Hip Hop classes teach movements inspired by influencers in the hip hop community. Students will learn freestyle, locking, popping, and breaking movements. Young dancers classes will focus on isolations, learning different types of movements and patterns, and large motor skills. PreSchool- 1<sup>st</sup> grade classes are inspired by hip hop but created for young dancers bodies and minds

### CHEER AND TUMBLE — KINDERGARTEN - 3<sup>RD</sup> GRADE

*Ages 5 - 9*

Dancers learn and perfect arm movements, cheers, chants, backbends, cartwheels, and basic tumbling full of excitement and energy.
